During the 1988-89 academic year, the Faculty Senate (and subsequently, the Board of Governors for Higher Education) approved the establishment of two new centers: the Center for Pacific Basin Capital Markets Research and the Research Institute for Telecommunications and Information Marketing. The Center shall be administered outside the departmental structure under the leadership of a director who shall report to the Dean of the College of Business Administration.

B. Add the following new section 3.82.10:
